

## ***What is the Study Edge Paid Internship Program?***

- The Study Edge Paid Internship program is available to college students across the country, from any class or major. This paid internship provides college students with exciting and engaging opportunities to develop new professional skills and hands-on experience using new professional programs.
- You'll gain real-world work experience in marketing, sales, social media, and account management.
- You'll strengthen your communication and time management skills.
- You'll use communication and business tools like Slack, Zoom and G Suite (Google Business Apps) which businesses across the country use with their employees.
- You'll experience working in a remote environment with a team spread out across the country.

## ***What Does the Study Edge Paid Internship Program Entail?***

- Primary Role - Meet with student groups on your campus and provide them a group code that allows their members to get a 20% discount on Study Edge memberships. This code also raises money for their group, as an additional 20% is donated back to the group. (*Study Edge has already donated more than \$50,000 to student groups through this program*).
- Secondary Role - Being our eyes and ears on the ground on your campus.
- You'll make your own schedule and work anywhere from 2-10 hours/week on average. A minimum of 2 hours is required - one hour is the Internship team video call and one hour meeting with student groups/ Greek chapters on campus to secure partnerships.
- There will be a maximum of 2 Study Edge Interns per school.

## ***What Are the Benefits of the Study Edge Paid Internship Program?***

- Free Study Edge membership (\$14.95 monthly value).
